GLEBE NSW 2037

Dear Minister

Verity

Thank you for your letter of 14 September 2007 on behalf of Mr Glenn DuBois, 17 Reynolds Avenue, Rozelle NSW 2039, regarding the relocation of Sydney Fish Markets to Glebe Island.

In December 2006, the NSW Government established an interagency taskforce to consider issues related to the Bays Precinct, which includes White Bay and Glebe Island. The Chair, Professor David Richmond, is reviewing the taskforce's terms of reference and developing consultation processes to ensure industry and community views are heard.

Motor vehicle operations at Glebe Island will be relocating to Port Kembla at the end of 2008. Accordingly, the taskforce is considering future land uses for Glebe Island, including the opportunity to incorporate a Sydney Fish Market operation.

I trust this information is of assistance.

Yours sincerely

Frank Sartor
